GUJARAT TECHNOLOGICAL UNIVERSITY

OPEN SOURCE TECHNOLOGIES CLUB (OSTC)

WORKSHOP REPORT

ON

LINUX

ORGANIZED UNDER

GTU Open Source Technologies Club (GTU OSTC)

At

VEERAYATAN GROUP OF INSTITUTIONS

FACULTY OF ENGINEERING AND FACULTY OF MANAGEMENT

MANDVI - KUTCH

To take the benefit of GTU OSTC initiative, we, at Veerayatan Group of Institutions, Kutch, Gujarat, had set up an Open Source Technologies Club (OSTC) in collaboration with Team Spoken-tutorial, IIT Bombay. We received good support from Ms Madhukriti Shrivastava, Gujarat State Coordinator and Ms Meenakshi, Team member of IIT Bombay Spoken Tutorial.

Workshops were conducted under guidance of Prof Kumar Parmar, OSTC Nodal Coordinator, Kutch and Dr R M Patel, Principal, HJD Institute of Technology, Education & Research, Kera. We were also thankful to our college coordinators Prof Kashyap Parmar, Prof Parita Chandan and Prof Pratik Chauhan for putting their efforts to make this workshop successful.

Workshop Code	Category	Date and Time	No of Participants
WC-6231	LINUX Introduction	24-05-2014, 2:30 PM to 04:00 PM	33
WC-6231	LINUX Hands-on-Practice	25-05-2014, 2:30 PM to 04:00 PM	33

OSTC worked to attract more faculties, non-teaching staff members and students from our college. We were very much impressed with the enthusiasm shown by all participants and also the efforts taken by supporting staff members. We really wish to reach out to maximum students & faculty members.

The workshop filled gaps about basic knowledge of Linux operating system present in the participants. The primary objective of the workshop was to make aware the participants about Linux so that it may find useful to their academic development. All were of opinion that this kind of workshop arrangement on different subjects would be very useful not only to faculty members but also to the students in effective manner.
